Wine Features

Los Monteros Cava Brut

Maybe you've never really been that into sparkling wines before. That's about to change. This luscious Cava has the most inviting aroma of savory herbs and lemon; not parsley and sage but definitely some rosemary and thyme. A palette dominated by big green apples is balanced by bubble-enhanced acids to keep you going back again and again.

Glass 7 Bottle 28

Fleur Rosé

Our latest rosé offering hails from the heart of Provence. Estate bottled by the renowned Château de Brigue, the Fleur is a marvel. Don't let its soft pink color deceive you. Intense aromas of strawberries and raspberries burst out of every glass. Inside you'll find delicious white peaches with a little sea salt.

Glass 8 Bottle 32

Lícia Albariño

Short for Galicia, the maritime province from which it hails, Lícia is so fresh and so green. Sour apple and a hint of grapefruit on the nose are reminiscent of a nice Sauv. Blanc. The body however is expressive of its unique terroir.

You can almost taste the sea air.

Glass 8 Bottle 32

Les Volets Pinot Noir Haute Vallée de l'Aude

Deep in the south of France, the grapes for this pinot basked in warm Mediterranean days and cool Pyrenean nights before being handpicked for this delicious example of terroir. Ripe summer strawberries work harmoniously with an oaky backbone and some very nice tannins.
