Mussels and Toast 14.00

What could be better than Prince Edward Island mussels steamed open in a heavenly broth of wine and stock with roasted cherry tomatoes and thyme, enriched with butter at the last second and served with thick pieces of toasted focaccia rubbed with a garlic clove. So good!

Our riff on a classic Italian pasta, we love this combination of our house marinara with roasted eggplant, chickpeas, sautéed spinach and feather-grated Parmesan. Served on imported Rustichella d'Abruzzo rigatoni.
