## Appetizer

### **Mussels and Toast 13.95**

What could be better than Prince Edward Island mussels steamed open in a heavenly broth of wine and stock with roasted cherry tomatoes and thyme, enriched with butter at the last second and served with thick pieces of toasted focaccia rubbed with a garlic clove. So good!

## Pasta

### **Rigatoni ala Norma 11.95/18.95**

Our riff on a classic Italian pasta, we love this combination of our house marinara with roasted eggplant, chickpeas, sautéed spinach and feather-grated Parmesan. Served on imported Rustichella d'Abruzzo rigatoni.

### **Burger of the Week: The Banh Mi 13.95**

Mmmm, nothing is more savory than the Vietnamese Banh Mi Sandwich—now try a burger in the Banh Mi style! Adorned with house-made pickled vegetables, thinly sliced fresh jalapenos, a smear of Nueske's smoked liver pate, spicy mayo and cilantro, it's like having your burger run through the kitchen of Linh's Bistro! Now that's got to be good!
